Chrisanna Gibbs – Associate Case Manager – Chester (Covering Manchester and Midlands)

Chrisanna joined the AJCM team as a specialist brain injury Case Manager in December 2016. Chrisanna works with adults and children who have suffered a traumatic brain injury.

Chrisanna has experience working within the litigation framework and will support her clients through this process.

Chrisanna qualified with a BSc(Hons) in Occupational Therapy in 1997 from St Martin's College, University of Lancaster. Chrisanna is a dynamic and experienced Therapist with a successful career in a range of clinical areas and a specialism within pediatrics.

Working both in Local Authority and NHS posts, Chrisanna has experience of working with a complex caseload; assessing, treating and managing long term conditions within home and education settings. Chrisanna also has experience of private work within the field of moving and handling.

Chrisanna has strong communication skills, uses a person-centred approach in her work and has an enthusiastic and positive approach to problem solving and supporting clients to fulfill their potential. Core values for Chrisanna include promoting independence and enabling a person to live a quality life.

Chrisanna has experience of supervising staff and students and liaising with multi-disciplinary teams. Chrisanna's experience also includes training and supporting staff.

Chrisanna will always strive to provide an excellent service and ensure the client and their family has the best possible support to help them in every step of their new journey. Chrisanna has confidence to speak out and advocate for her clients, inherently believing that every person matters, their goals matter and that every person deserves the best they can achieve in life.

AJ Case Management is a specialist brain injury Case Management service and we believe in taking a team approach to ensure the most effective service.
