

Chrisanna Gibbs – Associate Case Manager
**(Covering Lancashire, Cheshire, Shropshire, North Staffordshire
and North Wales)**

Chrisanna joined the AJCM team as a specialist brain injury Case Manager in December 2016, with over 20 years clinical experience as an Occupational Therapist in a range of settings. Chrisanna has worked in both Local Authority and NHS posts and spent over ten years working with children and their families managing long term complex conditions within home and education settings.

Chrisanna is passionate about supporting her clients and her OT background provides a solid foundation to promote functional and meaningful goals for each client. Core values for Chrisanna include promoting independence and enabling a person to live a quality life

As a Case Manager, Chrisanna holds a mixed caseload of children and adults. Chrisanna is skillful at managing complex care and therapy packages, to include recruitment, training and supervising teams of support workers. Chrisanna is experienced at working within the litigation framework, supporting her clients and their families through this process.

Chrisanna has recently successfully supported one of her clients on a month-long trip to India with his support team and family.

Chrisanna has strong communication skills, uses a person-centred approach in her work and has an enthusiastic and positive approach to problem solving and supporting clients to fulfill their potential.

Chrisanna will always strive to provide an outstanding service and ensure the client and their family has the best possible support in what can be a challenging journey. Chrisanna will be a strong advocate for her clients, inherently believing that every person matters, their goals matter and that every person deserves the best they can achieve in life.

AJ Case Management is a specialist brain injury Case Management service and we believe in taking a team approach to ensure the most effective service.
